

**The Shape of Ideas: An Illustrated Exploration of Creativity** What does an idea look like? And where do they come from? Grant Snider's™ illustrations will motivate you to explore these questions, inspire you to come up with your own answers and, like all Gordian knots, prompt even more questions. Whether you are a professional artist or designer, a student pursuing a creative career, a person of faith, someone who likes walks on the beach, or a dreamer who sits on the front porch contemplating life, this collection of one- and two-page comics will provide insight into the joys and frustrations of creativity, inspiration, and process—no matter your age or creative background. Also Available: The Shape of Ideas 2018 Wall Calendar (ISBN: 978-1-4197-2456-5) ...more
